The best holiday home!

Dear readers! Today I would like to tell you more about the Diamond Cliff Hotel, and its advantages.

Let's start with one of the most gorgeous lobbies I have ever been. When you come to the lobby, you can see a plenty of comfortable white sofas and armchairs. If you look closer, you can notice the big picture of elephants right in front of the check-in desk. Then I drastically want you to look at "King's Flower's Garden" which is situated inside of the building, but it does not have any roof!

As for the rooms, all of them are comfortable with all the modern appliances available and, further more, each room has its own small swimming pool. Nevertheless, there are two huge swimming pools and even a spa centre. Talking about any activities, you will find a great variety of them. I recommend you to start with aquaerobics in the ocean view swimming pool, then you can cook something delicious from different cuisines (you can choose one of the listed). If you travel with a child, there is an awesome children's club. Also, there is a local zoo without any cages, so you or your kid or teen can feed animals but you should follow some safety rules.

Nevertheless, in spite of all the listed advantages, I would recommend you to buy ~~some~~^a sun screen and ~~food~~^{some} for breakfast especially, if you travel with children because the restaurant cooks Thai cuisine which can be so spicy for Europeans.

To sum it up, I would like to recommend the "Diamond Cliff Hotel".
