One of the best in Moscow!

The most essential part of a pleasant holiday is a convenient acomodation.

Everybody wants to relax in a right and comfortable place after exhausting day and emotions. If someone travels in Moscow, I will recomend „Nord”. „Nord” is the hotel that I guess is one of the best one there.

There are some reasons why I think it is best. First of all, the staff is polite and friendly. They are always ready to help and explain how to get somewhere, they never talk in a rude manner. Secondly, I really enjoyed this place because of wonderful design. Rooms are decorated perfectly. Besides, you can order dinners into the room. The food is delicious and cooked properly.

As another advantage of „Nord” I can mention the location of the hotel. It is not very far from The Red Square. Moreover, there is a underground station nearby, so it is easy to get somewhere.

But there are ~~some~~ drawbacks. The prices are very high. Besides, you have to book a room in advance. There are no available places even if you book in two months before the trip.

In conclusion I would like to say that ~~the~~ travellers should book in advance if they want to have a nice holiday. Besides, they should have enough money for unexpected situations. Following this recommendations will make holidays unforgetable.
