My personally review about a kind of  
 hotel in Czech Republic.

I'm talkin about Pirkstein in Rattay-on-  
 Sasau. A wonderful place, that screw up imagination my  
 mind. It is literally castello. So, there is twenty seven  
 living rooms and five rooms for technical personal. Also,  
 this kind of tower have a nice dining room. The corridors  
 have a nice walls with paintings and graffures. It is  
 beautiful. You can really have a feeling of being a medieval  
 lord, living in his own castle. This is very cool, I think. Also  
 this castello are is placed on a highground, so you can  
 see from the windows city of Rattay and wonderful River  
 Sasau itself! Back to the rooms, design of them is vere  
 atmospheric. Lovely. And here is very good peoples, that  
 will not care to be afraid to help you. An interesting  
 fact: there is very warm at winter and ligat coldly at  
 summertime. Here But a bad weather here - it's a regional  
 thing. So I recommend you to wear any hat for this situation.  
 If you are going to walk outside to castle. By the way, Rattay  
 is a little city, so you will anyway know where are you.  
 And it is was my review about castello Pirkstein. Have a
